2010 Troop 2 Photograph Authorization/Declination Form

Part of the functions of the troop is to provide information about the past and future happenings of its membership. To help us present this information in both a timely and consistent manner the Troop has developed an internet web site with the assistance of one of our Assistant Scoutmasters.

Part of this site is to provide pictures and information of the Scouts “in action” at the various Troop events and activities. Before posting any pictures we would like to provide you with the following guidelines we follow to assist us in ensuring the boy’s anonymity and safety.

- Pictures and Troop information are provided at the main/home address listed above.
- No Scout’s picture will be posted on the web site without the **expressed written consent** of that Scout’s parent or legal guardian.
- Scouts’ names will **NOT** be listed or attached to any photograph.
- Any parent/guardian may choose to decline to have their son’s picture posted on the site.
- In the event a Scout’s parent declines, the Scout may appear in a group photograph, however his face/identifying features will be obscured to prevent visual identification.
- Any parent/guardian may alter his/her choice of posting their son’s photograph on the web site at any time by simply completing a new consent form and presenting the form to the Committee Chairperson or the Scoutmaster.
 - Committee Chairperson: Paul Sobierajski
 - Scoutmaster: Jack Armata
